Clifton Robotics

“REBOUND RUMBLE” COMPETITION DEMO

See Full Size FRC Robots in Action!

- Clifton Robotics has organized a demonstration of these large and impressive FRC robots. They will be playing the official FIRST “Rebound Rumble” Game.
- This is a great opportunity to see many of the best teams in the area show how their robots use vision systems and some topnotch programming to shoot baskets like the most accurate NBA Star.
- Come check it out.
- Watch the performance and meet the teams.
